

## Welcome to Bagotronics

### Who We Are

Perhaps it was the Bard who said "Tomorrow and tomorrow and tomorrow. It's only a day away." But at Bagotronics, we like to say that we accomplish the promise of tomorrow at least a day ahead of schedule. Whatever the case, look over our site and see how Bagotronics products are enabling the successes of businesses, large, small and in-between, everywhere.

### What We Do

At Bagotronics we are IN business FOR business. Our scientists, engineers and designers work to develop the innovations that fuel the e-business engine that drives America's economy. Each and every Bagotronics breakthrough is just that, a breakthrough. That's why we say, "Better Living Through Bagotronics."

### BUSINESS TIME MACHINE

Go back in time up to three decades. Jump ahead up to thirty years! Correct past mistakes. Forecast the future. And more! Just set the date and GO!
